## Mount Athos Cruise

The first part of the program begins with a short transfer by bus, from your hotel to Ormos Panaghias, situated in N-E of the Sithonia peninsula in Halkidiki. From this seaport we will go on with our journey, sailing towards the south of the Athos Peninsula, until we reach the south limit, where the highest point is 2.033 m. From here we will sail north, along the western coast. You will be able to see from close (from the boat), the mysterious and miraculous place which has been for centuries the center of Orthodoxy and you will find out new information about the history of Mount Athos and 8 of its monasteries.

After approximately 4 hours we will stop in Ouranoupolis, where you will have enough free time to discover this village, to take a walk, to shop or to eat a traditional meal at one of the best taverns there. On our way back from Ouranoupolis, the boat will sail to the west, to Ormos Panaghias and for 1 hour and a half you will watch a wonderful program with traditional dances and traditional Greek music. The cruise will finish in Ormos Panaghias, where the bus will be waiting for you to drive back to the hotels. This is definitely a day you will never forget.
