Greek night & Waterland

Greek night

A night of fun awaits you in a traditional Greek tavern. Accompanied by the sounds of bouzouki, we shall taste the local cuisine, drink wine and ouzo (included in the price) and attend a performance of folk dances by a local dance group.

Waterland

One of the largest water parks in Europe and the only one in Northern Greece, Waterland offers its clients a whole day of fun in its Pirate's Island, Crazy River, waves pool, etc. One can relax everywhere on the premises of Waterland, in the bars or in the restaurant.
