

Meteora Meteora

A highlight of your stay in Greece will be a visit to the Meteora Monasteries. Meteora is a geological miracle, which one must see for himself in order to believe. Nowadays, only six monasteries are well preserved and four of them are still inhabited.

We shall visit 2 of these fabulous monasteries, built high upon the steep rocks. Each monastery owns a vast richness of frescoes and icons. We shall also visit an icon shop, where you will find out how they manufacture the icons and you will have the chance to buy souvenirs, icons or gifts. Afterwards, we will make our lunch break, in a traditional tavern, down in Kalambaka.

Our last stop will be in the Valley of Tempis, at the chapel of Saint Paraschevi.

IMPORTANT NOTICE:

For entering the monasteries of Meteora, appropriate clothing is required. Ladies must not wear short skirts and must have long sleeves. Men are not allowed to wear shorts.
