## Island Tour

The excursion offers an exciting combination of history, tradition and culture, all in the frame of exotic scenery! During this trip we shall admire traditional villages as Panagia, but also the island capital, Limenas, we shall visit the famous monastery of the Archangel Michail, placed on the rocks, above the sea, where they keep a piece of the Holy Nail used on the crucifixion of Jesus, then we head towards Aliko, where we visit the ruins of the Christian basilica and church, as well as the old marble quarry.

Also in this tour of the island, you will have the opportunity to see how olive oil is obtained, you can taste the honey produced from pine trees, specific to the area and you can swim in the crystalline waters of the most beautiful beaches.
